Sustainable Rock

EcoReef®

Looks as good as the real thing and creates a reefscape in minutes

- Made exclusively for Tropical Marine Centre from natural materials
- Highly porous for superior bacterial loading
- pH neutral - perfect for marine and reef aquariums
- Will not leach nitrates and phosphates

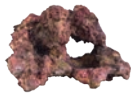

You will not believe your eyes... neither will your fish ! And it protects natural reefs and the communities around them

An amazing looking alternative to real live reef rock. This incredibly light alternative is pH neutral and provides excellent bacterial loading. The perfect solution for marine reef aquariums, but can also be used for Malawi and Cichlid aquaria... as well as reptiles. Hand made from naturally occurring land materials that will not leach nitrates and phosphates. *The realistic solution for a natural look.*
